**NARRATIVE:**

Kenneth Raven has an extensive adult criminal history that began at the age of 18. His convictions include robbery, assault with a deadly weapon causing great bodily injury, burglary, domestic violence with injury, several DUIs with felony priors, multiple vandalisms, multiple batteries, cruelty to a child, evading police and joyriding. He has served multiple state prison terms, the longest being a 5 year term for assault with a deadly weapon causing great bodily injury. Raven was released from state prison to the supervision of the Los Angeles County Probation Department on December 3, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2015 after he absconded from post release community supervision (PRCS). Raven qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for DUI with priors is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
